

**DISTRICT 6  
VOTE #88**

November 8, 2016 is the date of the Presidential Election.  
But there's also a big deal at the bottom of the ticket:  
Orleans Parish School Board, District 6.

It is crucial that we continue the progress we've made. Test scores are up. Graduation rates are up. College attendance is up. Dropouts and expulsions are down. Parental and community engagement is higher than ever.

You and your family are active voters and vocal in your support for the City of New Orleans. I have the proven experience to continue leading our schools forward.

**I'm humbly asking for your vote on Tuesday, November 8.  
Remember, early voting starts Tuesday, October 25.

## Here's what we've done together over the past four years...

- OPSB schools have risen in academic standing from 17th in the State to 2nd
- Improved the budget controls and finances for the system, earning the highest bond rating for a public agency in the state
- Implemented financial discipline and oversight, allowing the district to save \$25 million dollars and put more resources in classrooms
- Cut the Board's \$500 million dollar debt in half through sound fiscal practices and oversight
- Gained voter approval for a dedicated funding stream to improve and maintain school buildings so all students learn in well-maintained facilities
